About EQRx

EQRx is a new type of pharmaceutical company committed to developing and delivering innovative medicines to patients at radically lower prices. Launched in January 2020, EQRx is purpose-built, at scale, with a growing catalog of medicines in development in high-cost drug categories and emerging partnerships with leading payers and providers. Leveraging cutting-edge science and technology and strategic partnerships with stakeholders from across the healthcare system, EQRx aims to provide innovative, patent-protected medicines more efficiently and cost-effectively than ever before. In August 2021, EQRx announced a proposed combination with CM Life Sciences III (Nasdaq: CMLTU) to accelerate its growth. The combination is expected to be completed in the fourth quarter of 2021. Cautionary Statement Regarding Forward-Looking Statements

This communication contains certain forward-looking statements within the meaning of the federal securities laws with respect to the proposed transaction between EQRx and CM Life Sciences III, including express or implied statements regarding the ability to consummate the transaction and become a public company, as well as EQRx's ability to accelerate growth and expand access to innovative medicines, EQRx's ability to obtain FDA and other approvals of any product candidates in its pipeline, ability to expand its pipeline, and execute on its business strategy with payers, as well as other statements regarding plans and market opportunities of EQRx. These forward-looking statements generally are identified by the words "believe," "project," "expect," "anticipate," "estimate," "intend," "strategy," "future," "opportunity," "plan," "may," "should," "will," "would," "will be," "will continue," "will likely result," and similar expressions. Forward-looking statements are predictions, projections and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this press release, including but not limited to: (i) the risk that the transaction may not be completed in

a timely manner or at all, (ii) the risk that the transaction may not be completed by CM Life Sciences III's business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by CM Life Sciences III, (iii) the failure to satisfy the conditions to the consummation of the transaction, including the adoption of the merger agreement by the stockholders of CM Life Sciences III, the satisfaction of the minimum trust account amount following redemptions by CM Life Sciences III's public stockholders and the receipt of certain governmental and regulatory approvals, (iv) the lack of a third-party valuation in determining whether or not to pursue the transaction, (v) the inability to complete the PIPE investment in connection with the transaction, (vi) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement, (vii) the effect of the announcement or pendency of the transaction on EQRx's business relationships, operating results and business generally, (viii) risks that the proposed transaction disrupts current plans and operations of EQRx and potential difficulties in EQRx employee retention as a result of the transaction, (ix) the outcome of any legal proceedings that may be instituted against CM Life Sciences III or EQRx related to the merger agreement or the transaction, (x) the ability to maintain the listing of CM Life Sciences III's securities on a national securities exchange, (xi) changes in the competitive and highly regulated industries in which EQRx operates, variations in operating performance across competitors, changes in laws and regulations affecting EQRx's business and changes in the combined capital structure, (xii) risks associated with EQRx's ability to implement its business plans, including risks associated with its growth strategy, obtaining regulatory approvals, and creating a global payer network, and other risks associating with its plans to create a new kind of pharmaceutical company, (xiii) the risk of downturns and a changing regulatory landscape in the highly competitive healthcare and biopharmaceutical industries, (xiv) the size and growth of the markets in which EQRx operates and its ability to offer innovative medicines at reduced prices, and (xv) EQRx's ability to operate as a public company. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of the proxy statement/prospectus included in the registration statement on Form S-4 (File No. 333-259054) filed with the SEC in connection with the transaction and other documents filed by CM Life Sciences III from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and EQRx and CM Life Sciences III assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Neither EQRx nor CM Life Sciences III gives any assurance that either EQRx or CM Life Sciences III or the combined company will achieve its expectations.
